PROFESSIONAL SUMMARY

Passionate Front-End Developer with a fresh B.Tech degree in Information Technology (Nagpur University, 2024). Skilled in HTML, CSS, JavaScript, Java, and MySQL with a focus on building responsive and user-centered web applications. Seeking an entry-level role where I can grow as part of an innovative team and contribute to impactful projects.

PROJECT EXPERIENCE

Dice-Roller (HTML, CSS, JavaScript) | [Source Code](#) | [Demo](#)

- Developed a functional dice-rolling web application that simulates rolling a pair of dice.
- Integrated dynamic functionality with JavaScript to generate random dice values and display results.
- Ensured responsiveness and clean design for seamless user experience across devices.

My Portfolio (HTML, CSS, JavaScript) | [Source Code](#) | [Demo](#)

- Created a personal portfolio website showcasing web development projects and skills.
- Applied a responsive design to ensure compatibility with different screen sizes and devices.
- Demonstrated front-end capabilities with custom layouts and smooth navigation.

Juice Center Website UI (HTML, CSS) | [Source Code](#) | [Demo](#)

- Designed and developed a clean, user-friendly juice shop website showcasing products and promotions.
- Enhanced the site's performance with optimized CSS, resulting in faster load times.

SKILLS

HTML, CSS, JavaScript, Java, MySQL, Responsive Design, Basic React, Git, GitHub, RESTful APIs, Web Performance Optimization.
